We do know that these last few months have been especially difficult for our small businesses and the entire event industry.

- Our booths are limited. Please send in your reservation form ASAP to hold your space.
- You will be invoiced for your deposit which is not due until October 31.
- Final payments will not be due until December 15.

Special Notes

If we are still dealing with special circumstances surrounding the pandemic in January, we will be taking extra precautions to protect both our vendors and our event attendees.

We will meet any distancing requirements set forth by the state by spacing booths at the required distance. We have an alternate layout prepared in case social distancing is still required for events in January.

If necessary, we will allow attendees to enter the event in shifts, selling tickets for each shift that is limited to the acceptable maximum limit per state guidelines. Each shift will last 1.5 hours with fashion show running twice.

We will have 2 hand sanitizer stations and 2 sanitizer wipe stations in strategic locations in the event space.*

We will distribute masks to all attendees at the event that they may choose to wear while interacting with vendors.*

*Both of the sanitizing stations as well as the masks can be branded, and we are offering those as sponsorship opportunities for vendors.
