Get in front of newly engaged couples!

This boutique wedding event will allow our premier vendors the opportunity to connect with newly engaged couples in an intimate and fun atmosphere.

Wedding pros for this event will be carefully curated to attract those couples who are concerned with securing the most creative wedding professionals providing high quality services.

Wedding vendor categories are limited to a percentage of the total show. Once those spots are full, we will not allow additional vendors in that category.

With 20 years in the wedding industry, our shows have helped premier wedding pros across the south build and grow their businesses for almost two decades.

PLUS, for the first time ever, we are offering a combo package that includes marketing in the Summer/Fall print edition of *I Do Y'all Magazine* at a deeply discounted rate. See the Booth Investment page for details.

Contact us at hello@idoyall.com with questions or send in your space reservation form right away to secure your spot
